WORK EXPERIENCE

Score Media and Gaming Inc.

September 2022 - Present

Software Developer / September 2023 - Current

Toronto, Ontario

- Created, maintained and improved an in-house CMS for iCasino storefront, reducing development time.
- Helped with efforts to release a standalone casino application, able to catapult the new app to #2 in the rankings.
- Provided mentorship to incoming interns and supported the on-boarding of new developer talent

Software Developer, Co-op / May 2023 - August 2023

Toronto, Ontario

- Facilitated the integration of more than 1000 games into a re-branded app.
- Secured first place at intern hackathon by developing AI/ML model with Tinder-like interface for personalized betting recommendations.

QA Analyst, Co-op / September 2022 - April 2023

Toronto, Ontario

- Responsible for testing a casino product with various QA testing and SDLC tools.
- Produced comprehensive documentation for evaluating specific casino product features.
- Achieved second place at corporate hackathon by creating a tournament module within the online iCasino platform.

Esri Canada

September 2019 - May 2020

Help Desk Analyst, Co-op

Toronto, Ontario

- Leveraged SAP, Salesforce, and Microsoft 365 tools to address technical challenges and enhance system functionality.
